CHARGES FOR MRSO SERVICES – 2005

This schedule details the charges for services carried out on foot of special requests made by Suppliers and Customers.

The following conditions apply:

- The charges in the Tables below are based on Normal Working hours. Services carried out outside of normal working hours are subject to a charge equal to the appropriate charge in the table below multiplied by a factor of 1.5.
- The service charges in Section B are charged to customers directly.
- All prices exclude VAT.

A. Charges For MRSO Services

No	Type of Service to Suppliers	Charge Code	Charge € (excl VAT)
1	Customer cancellation of Application for Registration from Supplier.	M1	27
2	Registration Errors ¹ .	M2	27
3	Resends: When Supplier does not receive original data transmitted ¹ .	M3	27
4	Full Refreshes ² .	M4	27

B. Charges for Quarter-hourly historic data requests:

No	Type of Service to Customers	Charge Code	Charge € (excl VAT)
1	One profile per year on request.	M5	Free
2	Additional profiles ³ .	M6	54

¹ Where the error is made by the supplier.

² This covers situations where a supplier loses data that they had already received from MRSO and need this to be completely re-transmitted to them.

³ Charge per each additional profile requested.
